About Riverside Radiology and Interventional Associates:

RRIA is one of the largest sub-specialized private radiology practices in the country having about 100 diagnostic and interventional radiologists on staff. We serve both large and small hospitals not only in central Ohio, but throughout the entire state. Our vast IT infrastructure allows for all job sites to be fully supported by additional general and sub-specialized radiologists located in Columbus and at our other locations throughout the state. RRIA is continually recognized as a national leader in radiology. To learn more about our practice, please visit our website <http://www.riversiderad.com/>

Blanchard Valley Health System is a non-profit, integrated regional health system based in Findlay, a unique micropolitan community in Northwest Ohio. Governed by a community board of trustees representing large and small business, education, law, medicine and finance, BVHS oversees all operations. BVHS is one of the largest employers in the area with more than 3,000 associates and serves an eight-county area that includes Hancock, Allen, Putnam, Henry, Wood, Seneca, Wyandot and Hardin Counties.
