About Riverside Radiology and Interventional Associates:

RRIA is one of the largest sub-specialized private radiology practices in the country having about 100 diagnostic and interventional radiologists on staff. We serve both large and small hospitals not only in central Ohio, but throughout the entire state. Our vast IT infrastructure allows for all job sites to be fully supported by additional general and sub-specialized radiologists located in Columbus and at our other locations throughout the state. RRIA is continually recognized as a national leader in radiology. To learn more about our practice, please visit our website <http://www.riversiderad.com/>
